

Important Reminder-5th Grade Signs

Parent /Guardian Homework

Due Next Wednesday- May 16, 2018

It is hard to believe that our children's final day in elementary school is quickly approaching. We want this final day to be special for them!

Parents / guardians are asked to create a special sign for their 5th grader as they say goodbye to Fouse. These signs are placed in the school yard on the student's final day.

Drop off your sign in the teacher's lounge by **Wednesday, May 16th 2018.**

About the Sign

Please construct a sign for your child.

- Signs should be no larger than a single sheet of poster board.
- Signs should have 2 sticks to support. (The sticks will be stuck in the ground and should keep the poster from flopping – See sample sign below)
TIP 1: Yard Sticks attached to each side of the poster board with a staple gun with both support and placement in the ground! You can purchase these for less than a dollar each at Home Depot
TIP 2: "For Sale" signs also work well as a base— available from Home Depot/Lowes for about \$16.00. (See Below)
- Any attachments must be secure to withstand wind.
- Attach pictures/words of encouragement/memories/decorations etc.
- Include your child's first and last day and teachers name on the back of the sign.

All signs must be approved before placed in the ground.

Please drop off your sign in the teacher's lounge by: WEDNESDAY, May 16th, 2018.

We Need Volunteers!

Parents wishing to help with this project or who have any questions should contact Janet Borton at janet_borton@yahoo.com or at 614-886-9536 (text or voice). **We will need help setting up signs starting at 7:00 AM on May 24, 2018 (On the School front lawn).** Thank you! **The 5th Grade Sign Committee.**
