

Fouse PTO is excited to present...

Wednesday, May 23, 2018

It is highly recommended that your child bring the following to school that day:

- **Labeled water bottle**
- **Change of clothes**
 - We do have water games & our students love to get wet!

****Please apply sunscreen at home before school****

Parent volunteers are needed on Wednesday, May 23rd, to ensure that this event runs smoothly! Approximately 35 volunteers are requested for each shift (morning & afternoon). If you would like to join in on the fun & help that day, please follow this link to sign up to volunteer for the morning and/or afternoon session:

If it rains, the event will be moved into the gymnasium & a few other rooms in the building.
