

Westerville Parent Council Presents:

# Kids & Technology

Instagram. Twitter. Snapchat. Roblox. This interactive session will explore popular social media apps and websites frequented by kids, tweens and teens and how they can be used for power and control in relationships. Learn how to protect your kids and set boundaries with technology.

Parents - Join us for this FREE presentation from The Center for Family Safety and Healing

**November 8, 2017 at 7pm**

**Westerville South High School - iStudio  
303 S Otterbein Ave. Westerville, OH 43081**

(The iStudio is the Media Center on the second floor above the main office)
