

## Mock IEP

Join Reading Matters Westerville & Westerville Parent Council for our first event of 2019 to learn how to navigate your next IEP meeting.

March 19th 6:30 - 8:30PM  
Westerville North HS Media Center

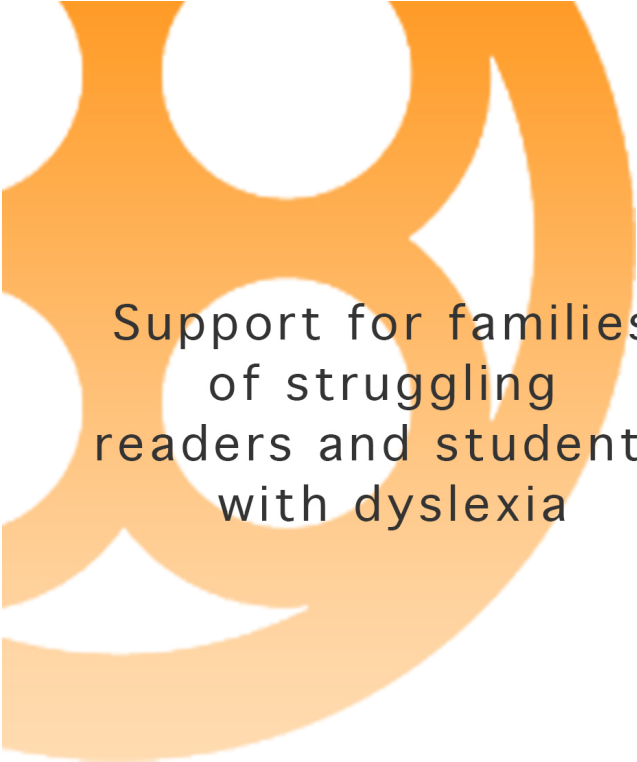

**Brenda Louisin, of Louisin Child Advocacy**, along with RMW members will re-create different scenarios that can occur during IEP meetings. **Attorney, Kerry Agins**, who's specialty is representing families in special education, will moderate, providing additional tips, advice and insights throughout the evening. Parents, teachers and staff will be equipped with the knowledge, language and tools for successful IEP navigation. Answers to questions like, "What are some key strategies to advocate for my child?" and "Should I sign that?" will be shared.

Be confident, informed and prepared to advocate for your child at your next IEP meeting.
