

Fouse PTO compiles a Student Directory each year, which lists student names by classroom, student contact information and teacher contact information. All of the information provided in the directory is for the sole use of Fouse parents and staff and is not used for marketing or solicitation purposes. The Directory will not be published online; only hard copies will be available for pick-up by parents in the office.

If you do NOT wish to have your contact information shared with other Fouse families in the Directory, please complete this form and return it to the office by end of day, **Friday, 10/13**. Please contact us at fousepto@gmail.com with any questions.
